

Autumn/Ngahuru 2019

FROM THE HOUSE_(Na te Whare).....

From the Manager Tena koutou katoa,

He mihihui ki te whanau.

We have had a great start to the year. The Raglan Community House (RCH) has been very busy with visitors including our local whanau and the many manuhiri who come here for the Raglan 'vibe'. We do our best to manaaki (care for) and awhi (help) all. Welcoming people is important as it reflects respect to others. This was reciprocated recently when local carver Sean gifted 2 bone carvings to the RCH. Lara and I are wearing these taonga in the photo below, carver Sean stands between us.

We farewelled long serving committee member Janet Scott this year, and thanked her for her service to the organisation and the Raglan community. Improvements to our Community House include a new door and entranceway to our Basement Meeting Room. See photo bottom right. WRAP (Whaaingaroa Raglan Affordable Housing Project) is developing into its' next stage following gathering information, holding an Affordable Housing Forum last year and developing the research report. We will keep you updated on progress. Our collaborations including with Raglan District Vehicle Trust and Maori Wardens are going well. The Maori Wardens are based with us on Tuesdays and Fridays. We are still to start up our youth projects for the year but these should be up and running shortly. Mauri ora Mike

What's happening at the Raglan Community House?
