

Winter/Hootoke 2019

From the Manager Tena koutou katoa,

He mihinui ki te whanau. We are half way through the year and I feel we have already achieved alot. The new entranceway for our Basement Room installed earlier this year is working well. So far our Basement Room hosted an Art Exhibition in April, a Youthweek Dance Party facilitated by local youth in May, and our Annual General Meeting in June, amongst other activities. Other planned Basement Meeting Room activities include a new 'Kickboxing 4 Youth' Program later this year. Feedback has been very positive and thanks to all our supporters for making this happen. Kupu Cafe with Whaea Lucy most Wednesday mornings is proving very popular. Lucy is away for a few weeks so Kupu Cafe will start again on Weds Sept 11th. Plunket are starting Parent Group Morning Teas fortnightly on Monday mornings based in our Basement Meeting Room. The aim is to support local parents and give them opportunities to engage with other parents. This times in well with the Toy Library, also at the Community House on Monday mornings. Our Free Financial Capability Service (Budgeting) is doing well and we encourage community members to make use of this awesome service. We now aim to deliver this service weekday afternoons. Mauri ora Mike.
