

Winter/Hotoke 2020

From the Manager Tena koutou katoa, He mihinui.

Thank you to our community for it's amazing response to the Covid-19 lockdown. The kindness and care that was shown during the lockdown was amazing. The work of our 'Essential workers' was especially amazing under very challenging circumstances. 'Thank you' to all of you. The Raglan Community House (RCH) continues to support our special community and so far this year we have made some improvements including reclaiming the word 'Community' into our title. We have also included the wording 'To Tatou Whare', meaning 'Our House'. We have a new member to our Counselling team, Sarah Court, bringing new skills to our service. In June we held our AGM, in the Op Shop we changed to Winter clothing & updated our signage. Ethnic Communities Advocate, Anjum Rahman, also visited us. We also added to our Volunteer team with new Shop Assistants. Our Youth programs have restarted & are developing well. The Kickboxing4Youth Program has a core of youth participating and we look forward to their upcoming grading. Our transition from Incorporated Society to Charitable Trust is almost complete & we are collaborating with Raglan Community Radio for an upcoming youth event. No reira, ki to tatou whanau o te whare hapori o Whaingaroa, he mihi. Mauri ora. Na Mike.
